

## **Terms & Conditions of HundredX Consulting FZCO**

The present terms and conditions (the “Terms and Conditions”) are an agreement between all users of our IT solutions and algorithmic indicators (individually referred to as “You”, “Your”, or “User”) and HundredX Consulting – FZCO, IFZA Business Park, DDP, PO Box 342001, Dubai, United Arab Emirates.

Our solutions are unique and as such contain copyrighted material and cannot be duplicated, copied, shared, or transmitted in any way or form without written consent from HundredX Consulting FZCO.

The services of HundredX Consulting FZCO, including but not limited to the HundredX Consulting FZCO software tools, algorithmic indicators, educational resources, and related services, provide solely content and information for informational and educational purposes only, and do NOT constitute any form of professional IT consulting, business strategy, or financial technology services of any kind whatsoever. HundredX Consulting FZCO, directly or indirectly through its website or its other products or services, does not engage in the business of advising You (or others) on software investments, IT infrastructure decisions, algorithmic strategies, or other technical implementations. The content and information provided by HundredX Consulting FZCO on its various platforms and other products and services are solely incidental to the business and activities of HundredX Consulting FZCO in providing software-based educational and informational services.

You remain solely responsible for all decisions regarding Your use of software tools, algorithmic indicators, and IT solutions, including but not limited to the suitability, reliability, or appropriateness of any software, algorithmic model, or other matter, and all other matters related to Your personal or business IT strategies.

HundredX Consulting FZCO does not and will not provide You with any legal, tax, business planning, cybersecurity, or IT management advice, or any advice regarding the suitability, reliability, or profitability of any IT-related service, software, or solution. You understand, acknowledge, and agree that HundredX Consulting FZCO officials and/or employees are not authorized to give any such advice. You will neither solicit nor rely on any IT consulting advice from any HundredX Consulting FZCO official and/or employee. HundredX Consulting FZCO recommends that persons desiring to implement IT solutions, algorithmic models, or software systems do so cautiously and only in consultation with their professional, licensed, and qualified IT specialists, cybersecurity professionals, and business advisors.

No data, content, or information provided by HundredX Consulting FZCO is intended, and shall not constitute or be construed as, advice or any recommendation to purchase or implement specific software, algorithms, IT frameworks, or related digital solutions, nor any offer, or solicitation of an offer, to engage in IT consulting or business advisory services.

You explicitly acknowledge that HundredX Consulting FZCO is not registered as an IT consultant or similar with any governmental or regulatory authority and that the business and activities of HundredX Consulting FZCO do not require any such registration.

HundredX Consulting FZCO neither assumes responsibility for, nor guarantees the accuracy, currency, completeness, or usefulness of information, tools, algorithmic models, strategies, software recommendations, or other materials that may be accessed by You through the HundredX Consulting FZCO software solutions or other products or services.

If You choose to rely on such information, You understand, acknowledge, and agree to do so solely at Your own risk. You understand, acknowledge, and agree that the research, analysis, educational resources, or other information made available through HundredX Consulting FZCO software solutions or other products and services of HundredX Consulting FZCO does not constitute any form of IT or business advice and is in no way tailored to reflect any personal business circumstances or objectives. Any determination to implement IT solutions or algorithmic models must be made solely by You after Your independent investigation and evaluation based on Your personal or business circumstances and without any reliance on the data, content, or information provided by HundredX Consulting FZCO.

HundredX Consulting FZCO cannot, and does not, independently verify, assess, or guarantee the validity, adequacy, timeliness, accuracy, or completeness of any data, content, or information, the suitability or profitability of any particular software, IT solution, or algorithmic model. You bear sole responsibility for Your own IT research and decisions and should seek the advice of a professional, licensed, and qualified IT specialist before implementing any software or technical framework.

All fees charged by HundredX Consulting FZCO in connection with any product or service purchased or subscribed to are exclusive of any taxes, levies, or duties imposed by any taxing authority, and You shall be, and hereby are, responsible for the payment of all such taxes, levies, or duties arising from Your purchase of products or use of our services.

The implementation of IT solutions and algorithmic models involves a degree of technical complexity and risk. It is suitable only for persons who have sufficient technical expertise or access to professional IT support. The use of software tools or algorithmic models should only be conducted by persons who understand and accept the risks involved and who have independently reviewed and determined their acceptance and suitability of these risks. Only persons who are able to bear the responsibility of technical implementations should engage in the usage of IT solutions or algorithmic models.

HundredX Consulting FZCO and the content and information contained on the various platforms, and in other products and services of HundredX Consulting FZCO, do not indicate or guarantee any predictable, general, specific, or other results. The implementation of software, algorithmic models, or IT strategies involves multiple variables that could materially and adversely affect the results and lead to inefficiencies or technical failures.

HundredX Consulting FZCO and its directors, officers, shareholders, employees, agents, and affiliates make no representation, warranty, or guarantee as to the validity, adequacy, timeliness, accuracy, reliability, or completeness of any data, content, or information provided by any services produced by HundredX Consulting FZCO. You should independently analyze, review, and confirm any such data, content, or information.

HundredX Consulting FZCO may express or utilize testimonials or descriptions of past performance, but such items are not indicative of future results or performance, or any representation, warranty, or guarantee that any result will be obtained by You. Your results may differ materially from those expressed or utilized by HundredX Consulting FZCO due to a number of factors beyond our control and sphere of influence.
